Hi Karen,

I just wanted to send a note in support of the cell tower to be constructed on Dallas Hill Road. My husband and I own a home at 756 Dallas Hill. We are only there part time right now, but will be retiring in a year in a half. I truly hope this project will be able to move forward because it is very much needed. The fact that we don't have cell service in so many spots is disturbing. We personally had an incident where a person was on the side of the road screaming for help. A friend had been hurt in the woods. Thankfully a fire rescue truck came by and was able to offer help. I am very excited to retire there, but also a tad nervous about the lack of service. I want to know if something happens to either of us, I can get help and everyone else in the area. This project moving forward will ease so many concerns.

Thank you,
Vickie L Hunnewell
