Potential Location of High Value Agricultural Land Kennebec County, ME

2.4% Prime Farmland Soils

2.5% Farmland of Statewide Importance

High Value Agricultural Soils

Forested Land and Impervious Surfaces Removed

All Areas Are Prime Farmland

Farmland of Statewide Importance

This map is intended to help identify the potential location of high-value agricultural land (HVAL) based on some characteristics of HVAL as defined in DACF Rule Chapter 575. The potential location of HVAL shown in this map is a preliminary representation based on publicly available data. A field survey is required to determine if a property contains HVAL.
