Potential Location of High Value Agricultural Land Piscataquis County, ME

0.4% Prime Farmland Soils
0.2% Farmland of Statewide Importance

This map is intended to help identify the potential location of high-value agricultural land (HVAL) based on some characteristics of HVAL as defined in DACF Rule Chapter 575. The potential location of HVAL shown in this map is a preliminary representation based on publicly available data. A field survey is required to determine if a property contains HVAL.

- High Value Agricultural Soils**
