RE: Rising Tide Towers, LLC Development Permit DP 5050

Dear Ms. Bolstridge:

The Rangeley Board of Selectmen voted August 16, 2021, to direct me to write you in support of the proposed Rising Tide Towers, LLC application for Amendment B to Development Permit DP 5050 in Dallas Plantation. Because of Rangeley's remote location, improvements in telecommunications are critical to the health, safety, and welfare of the people in our region. The improvements would outweigh the aesthetic impact created by the 300-foot lighted self-supporting, lattice-style tower.

Please feel free to contact me should you have further questions.

Respectfully,

Joe Roach
Town Manager
