RE: Bowers Wind Project
DP 4889

Dear Mr. Todd,

Attached please find the testimony of Dr. Cameron Wake and Ms. Abigail Krich submitted by the Conservation Law Foundation in support of the application by Champlain Wind for a wind energy development in Carroll Plantation and Kossuth Township. CLF had previously listed Dr. Dora Mills as a potential witness but is not submitting any testimony from her at this time. Electronic copies of this testimony have been served on the parties in this matter.

Very truly yours,
