

## **APPENDIX 11.4:**

### **List of Taxa of Aquatic Plants and Animals** **With Records in the MABP Database**

Data are in Excel spreadsheet on CD (Appendix\_11.4.xls). This file contains records for about 2580 plant and animal taxa. County distributions are provided. The number of HUC-10 watersheds in which each taxon has been recorded (per MABP database) is also provided.

Taxon lists for most groups can be viewed on-line at:
