

Unit 4 Lesson 1: A Pest by Any Other Name

Anti-Insect Items

Handout 1

Name _____

Directions: Examine the following list of items. Each represents a tool or tactic people use to control insect pests. Use this list to identify which of these items you have at home. Add any items to the list that your family might own or use that are not on the list. We will collect the sheets, tally the data, and graph it using a bar graph.

Screen windows
