RE: Variance permits for CMR 01-026, Chapters 22 and 29

Dear Mr. Moosmann:

This letter will serve as your 2014 variance permits covering Section 2 (C) of Chapter 22 and Section 6 of Chapter 29 for weed control along state maintained roads and other transportation facilities, **with the condition that Streamline (aminocyclopyrachlor/metsulfuron methyl) not be applied within 25 feet of water.** Please bear in mind that these variance permits require agency personnel and contractors to adhere to the measures outlined in Section X of your Chapter 22 permit application and Section IX of your Chapter 29 permit application.

I will alert the Board at its June 27, 2014 meeting that the variance permits have been issued. If you have any questions concerning this matter, please feel free to contact me at 287-2731.

Sincerely,

Henry Jennings
Director
Maine Board of Pesticides Control
