

# Got Pests?

## Get Informed!

Wiped out your lawn along with the weeds? Made a second trip to the store because your bugs are back?

Whether your pest is an insect, weed, or critter (BIG or small), our State's pest experts will arm you with information your pest doesn't want you to know.

# Using Pesticides?

## Rights & Responsibilities!

Your right to use pesticides comes with the responsibility to follow the law and notify neighbors who ask.

To be notified about pesticide use, you have the right to know, but it's your responsibility to ask your neighbor first.

## Talk to your neighbors.

If you are interested in knowing when pesticides are used near you, start a conversation. In some cases there is a legal obligation to notify those who ask. Find out more on our website: [thinkfirstlast.org](http://thinkfirstlast.org)
