COMMISSIONER

PESTICIDE PRODUCT AND ADJUVANT SUBMISSION REQUIREMENTS
REGISTRATION DOCUMENTS
(June 3, 2022)

New Registrations only:

Submit all documents via the Maine Board of Pesticides Control online portal and via ALSTAR if a member.

All Products (Section 3, 25(b) Minimum Risk, Adjuvants):

- **NOTE:** Hardcopies, CDs, and flash drives are not accepted.
- Labels/labeling criteria:
 - Marketplace/container label/base label/booklet
 - **Text-searchable PDF**
 - **Free of printer-proof/production comments, dyelines, markups, etc.**
 - **Each page oriented in the normal reading view**
 - Complete label as one file with each panel placed on a separate page
 - Fits on 8.5"x11" sheets of paper without requiring formatting changes to be read
 - Clear and readable when printed
- Confidential Statement of Formula (applies to all registrations)
 - Enter data directly into the online application form
 - Do not attach the statement of formula or upload to ALSTAR
- Safety Data Sheet (SDS) must display (all products):
 - Product name as appears on the label
 - Company name and address as appears on label
 - EPA registration number (only if EPA registered product) – does not apply to adjuvants

Distributor Products (have a three-part EPA registration number):

- EPA Form 8570-5 must display electronic date-stamp or pin-punched date

Revised Documents:

- Email to: pesticides.registrar@maine.gov or submit to ALSTAR at time of revision
- Provide a description of the revisions in the body of the email
