1. Drinking Water:

- A. Does your water come from a city/town water supply? ☐ Yes ☐ No

If yes, provide the name of the city/town water supplier to which you pay your water bill
_____ and **skip to Item 2.**

If no, please provide the following:

Water Test Results from a Certified Laboratory for the following tests:

Total Coliform bacteria, nitrate: samples must be taken within three months before the date this application is received.

For a list of Certified Laboratories, see www.medwp.com or call the Maine Drinking Water Program at 207-287-2070

2. Wastewater Disposal:

- A. Is wastewater disposed to an on-site wastewater disposal system, either proposed or existing? ☐ Yes ☐ No

If yes, you must complete the attached "Onsite Wastewater Disposal System – Local Review and Verification Form" (Appendix C) and have your Local Plumbing Inspector verify compliance with the Maine Subsurface Wastewater Disposal Rules, 10-144 CMR 241 (the Rules). The Local Plumbing Inspector must verify that either the existing subsurface wastewater disposal system has the capacity to accept the proposed business or that an expanded system has been designed and approved that meets applicable design requirements found in the Rules. Municipal records for your property should include copies of wastewater disposal system designs completed to date. If the municipality cannot locate a copy of the design(s) you may search here:

<https://apps.web.maine.gov/cgi-bin/online/mecdc/septicplans/index.pl>

Demonstration of adequate wastewater disposal system capacity for the use proposed is required prior to licensure by the Health Inspection Program.

Please visit our website for more information regarding wastewater disposal systems at www.mainepublichealth.gov/septic-systems or call us at 207-287-5689 if you have any questions.

If no, please provide the name of the city, town, or utility district to which you pay your sewer bill.

Public Sewer Entity: _____

I, _____, applicant,

PLEASE PRINT NAME CLEARLY

hereby state that this application is accurate to the best of my knowledge. I further acknowledge that I am aware that deliberate falsification of the information herein shall be sufficient cause for denial of a license to operate the business. Discovery of deliberate falsification of information on this application after a license is issued may subject you to penalties, fines and other sanctions authorized by licensing statutes and rules, as well as the imposition of any other penalties, fines and sanctions provided by law.

By signing this application, I am verifying that I am 18 years of age and understand that the inspector will require proof of age upon inspection.

32 MRS ch 18, 63, 63-A and 64. Right of entry, inspection and determination of compliance

The department and any duly designated officer or employee of the department have the right, without an administrative inspection warrant, to enter upon and into the premises of any establishment licensed, or a place where a person licensed under this chapter practices, pursuant to this chapter at any reasonable time in order to determine the state of compliance with this chapter and any rules adopted by the department under this chapter. The right of entry and inspection extends to any premises that the department has reason to believe is being operated or maintained without a license or a place where a person licensed under this chapter practices, but no such entry and inspection of any premises or place may be made without the permission of the owner or person in charge unless a search warrant is obtained authorizing entry and inspection.

Applicant's Signature _____ Date of Signature _____

THERE IS A 30 DAY REVIEW PERIOD AFTER RECEIPT OF A COMPLETED APPLICATION. INCOMPLETE APPLICATIONS WILL NOT BE PROCESSED AND WILL BE RETURNED FOR COMPLETION. A BUSINESS MUST NOT OPERATE UNTIL AN INSPECTION IS PERFORMED AND A LICENSE IS ISSUED.

Appendix C
Onsite Wastewater Disposal System - Local Review and Verification Form

This form is to be used by Health Inspection Program license applicants to demonstrate that their facility has adequate **wastewater disposal** system capacity for the use proposed. This form must be presented to the Local Plumbing Inspector of the municipality where the facility is located for review and approval of wastewater disposal system capacity.

Please include this completed form with your license application.

Health Inspection Program
Onsite Wastewater Disposal System Local Review and Approval Form HHE-602
Appendix C

To be completed by the Owner/Applicant

Date: _____

Facility Name: _____

Facility Physical Address: _____

Facility: [] Owner [] Operator: _____

Telephone: _____ E-Mail _____

Mailing Address if different from address above: _____

1. Check all boxes that apply: Are you proposing ☐ new construction ☐ remodeling
☐ change in use ☐ increased use or ☐ other? Specify: _____
2. Please describe the proposed use or change for this property:

Please have the Local Plumbing Inspector at your town office verify that he/she has reviewed your proposal and has determined that: **A) the existing wastewater disposal system has the capacity required for your proposal; or, B) you have had a new or expanded wastewater disposal system designed, installed and inspected that will meet the requirements for proper wastewater disposal. Uses that increase wastewater disposal system design flows by more than 25%, including prior unapproved increases, must be installed at the time of expansion or change of ownership as required in Section 9 of the Maine Subsurface Wastewater Disposal Rules.**

To be completed by the Local Plumbing Inspector:

MANDATORY: LPI please write in number of indoor/outdoor seats, rooms, campers and/or sites

_____ OBD COMPLIANT (Y/N?) (If has an Overboard Discharge System for wastewater disposal, contact DEP
