If more space is needed to answer any questions, please use back of form or attach an additional document to this application.

***Reporting requirements:** Copies of any data forms and associated reports must be submitted to the Fisheries Division at our Augusta Office (MDIFW, Attn: Fisheries Division, 353 Water Street, Augusta, Maine 04333) by the end of the calendar year. Data should include dates, locations, species handled/collected, number per species collected, and the disposition for species handled approved under this permit. Data forms can be emailed to Kory.Whittum@maine.gov in either XLSX or PDF formats.

*If you are working on a watershed where Atlantic salmon are listed as endangered or threatened, you may need to acquire an additional permit from either the National Marine Fisheries Service 866-7322 or U. S. Fish & Wildlife, Old Town 827- 5938. Additionally, if you are conducting work on Tribal lands, please contact the respective tribal office.
